Facts about Telangana State

Telangana is a state in southern India. In the capital of Hyderabad, the Charminar is a 16th-century mosque with 4 arches supporting 4 towering minarets. The monument overlooks the city's long-running Laad Bazaar. Once the seat of the Qutb Shahi dynasty, the sprawling Golconda Fort is a former diamond-trading center. In the city of Warangal, the centuries-old Warangal Fort features carved stone towers and gateways.
